

Help **Independence Theatre and Performing Arts (ITPA)** continue to build a high school theatre program that inspires and engages our community. As a newer program which had its inaugural season cut short due to Covid, **ITPA** rebounded spectacularly last year when schools reopened fully in person. With a county-high 10 Cappies nominations in the categories of **Sets, Choreography, Set Crew, Special Effects, Costuming, Featured Actor in a Female Role, Lead Actor in a Male Role in a Musical, Lead Actor in a Female Role in a Musical, Best Song, and Best Musical** for their production of **Mary Poppins**, **ITPA** is already establishing itself as a gold-standard theater program in LCPS. **ITPA** brought mesmerizing, crowd-pleasing theater to the stage at Independence last year. But we need YOUR help to continue this level of excellence.

With your support, **ITPA** hopes to add additional lighting and sound equipment to its stage, license additional show rights for performances, invest in high quality props and set design materials and, most importantly, provide scholarships for seniors pursuing theatre careers.

Sponsorship levels are as follows:
